

FT Portal – User Manual

The FT Portal platform will be your go-to for almost everything – important programme announcements, mentor catch up notes, the programme team comments and updates on your programme milestones.

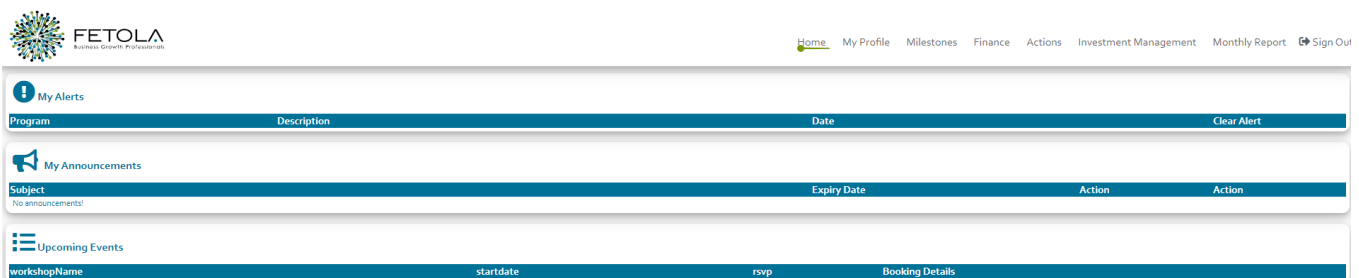

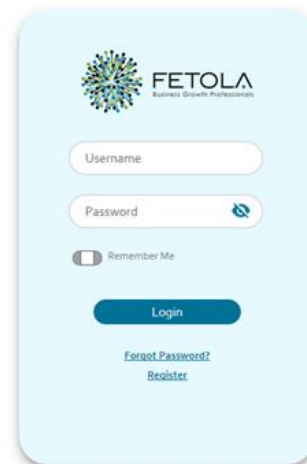

How do you access this?

Visit: <https://portal.fetola.co.za/>

Log in using the username and password shared via email with you

Once logged in your landing page will consist of the following;

- My alerts
 - o Feedback notifications
- My announcements
 - o Important programme announcements

How does it work?

- Please review your profile to ensure that your details are relevant and correctly captured, if not, please update accordingly.
- Monthly Reporting will be the submission of your financials including your income statement and balance sheet.
- Your mentor notes comments, action points and successes from your mentorship sessions in the **‘Mentor: Milestone Comments, Financial Comments and My Mentor Comments’** – This is updated regularly.
- You can then log in, review these comments and add your own notes in the **‘Entrepreneur: Milestone Comments, Financial Comments and My Comments’**.
- The programme team can view all comments; find opportunities, challenges etc and provide additional support if necessary.

What is the aim?

- Track your recommended action points,
- Flag business challenges you may have – we will be notified and ready to assist,
- View your financials, track your business growth,
- View, monitor and update your milestones

- Tell us about your business successes – we would love to stay in the loop and share your stories!

Who has access?

- You, your mentor and the programme team
